

Word Wheel 3B: other totally empty letters

The Verb Company
November 11, 2015

- Word Wheel 3B contains all common monosyllabic words that contain an empty letter (other than G, H, or GH — see Word Wheel 3A); the words are otherwise regular, and the empty letters have no effect on the rest of the word
- the empty B and W are on the left; all others on the right (from top to bottom: the empty K, U, I, P and/or S, C, N)
